# EVENT HIGHLIGHT

A picnic is a casual outdoor meal or gathering where people come together to enjoy food and each other's company in a natural setting. Picnics are popular for their ability to blend dining with outdoor recreation, fostering social interaction, relaxation, and enjoyment of nature.

## WHAT TO EXPECT

At In Living Color, you can expect a leisurely and relaxed atmosphere set against a backdrop of natural beauty. Guests can enjoy music from a dj, activities and games, and even bounce houses. Blankets will be complimentary, inviting everyone to settle in comfortably.

## WHY ATTEND

Food plays a major role in the Central FL area. We wanted to host a picnic with easy-to-eat finger foods like sandwiches, salads, and fruits to more elaborate charcuterie boards and desserts. As well as, beverages like lemonade, iced tea, and signature cocktails

The ambiance is social and laid-back, encouraging conversations and connections among friends, family, or colleagues while enjoying the company of others and the simple pleasure of being outdoors.

Activities may include casual games such as frisbee, volleyball, or card games, adding to the festive spirit.
